

# Community Infrastructure Levy Notices Issued by Islington

This Dataset provides a list of all developments that are subject to the Community Infrastructure Levy (CIL) in the London Borough of Islington.

The London Mayoral CIL was introduced in 2012 with the Islington CIL coming into effect in 2014. The vast majority of properties in the Borough will not have a CIL liability affecting the property.

For CON 29 CIL queries specific addresses are searchable by the site address and/or unique property reference number (UPRN) on the CON29 tab. If an address or site with a UPRN number is not on the dataset then it has not been subject to the CIL.

If a charge has been issued and the total received (Column N Q 3.10d) on the CON29 tab is equal to Demand amount (Column I Q3.10(b) iii) then the charge has been discharged and no further action is necessary. For further information please e-mail [cil@Islington.gov.uk](mailto:cil@Islington.gov.uk)
