Provided that this paragraph shall not apply to a vehicle waiting in any restricted street to which the provisions of Article 17(2)(a) apply unless notice is given twenty-four hours in advance to the police or, as the case may be the Council, their consent is obtained, and such reasonable conditions as they may impose are complied with.

- (2) Without prejudice to the provisions of the last foregoing paragraph, nothing in Article 17 of this Order shall apply so as to restrict the loading or unloading of any vehicle while the vehicle is in actual use in any restricted street in connection with the collection or delivery of goods from or to premises in or adjacent to that street if those goods cannot reasonably be loaded or unloaded outside the prescribed hours or within the time (if any) allowed in relation to that street, as the case may be, if notice is given twenty-four hours

in advance to the police, or, as the case may be the Council, their consent is obtained, and such reasonable conditions as they may impose are complied with.

  - (d) while the vehicle is being used in connection with the removal of any obstruction to traffic;
  - (e) while any gate or other barrier at the entrance to premises to which the vehicle requires access or from which it has emerged is being opened or closed if it is not reasonably practical for the vehicle to wait in any other place while such gate or barrier is being opened or closed.
- (2) Nothing in Article 17 of this Order shall apply to anything done with the permission or at the direction of a police constable in uniform or a civil enforcement officer or where the person in control of the vehicle is required by law to stop, or is obliged to do so in order to avoid an accident.
